

3.) What is the main problem in the story? What caused it? Who was involved?

---

---

---

---

---

---

---

---

4.) Explain how the main problem in the story was solved using at least two supporting details.

---

---

---

---

---

---

---

---

5.) In your opinion, who was the most interesting character in the book? Give details about his/her physical characteristics, personality traits, and motivation.

---

---

---

---

---

---

---

---

6.) What is the setting (i.e. time period, location, mood) of the story in your book? How does the setting affect the plot?

---

---

---

---

---

---

---

---

7.) Compare, in at least two ways, either the plot or the main character to one in another book.

---

---

---

---

---

---

---

---

8.) Create a cause and effect statement that pertains to the motivation of the main character. Underline the cause once and the effect twice. Give at least two supporting details.

---

---

---

---

---

---

---

9.) Copy a line from the text that contains a word that is unfamiliar to you. Underline the unfamiliar word and use your knowledge of word structure to determine its meaning (e.g. root words, prefixes, suffixes, abbreviations, compound words).

---

---

---

---

---

---

---

10.) Copy a line from the text that contains a word that is unfamiliar to you. Underline the unfamiliar word and explain which context clues helped you to determine its meaning.

---

---

---

---
