

FLASH UPDATE ON STUDENT COMPUTERS!

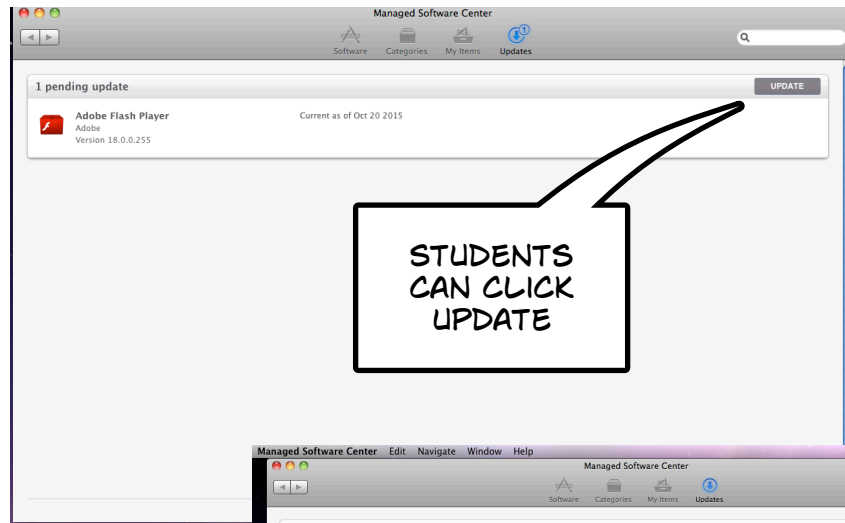

FLASH PLAYS A BIG PART OF OUR LIVES IN EDUCATION. MOST OF OUR ONLINE EDUCATIONAL PROGRAMS USE FLASH PLAYER, AND IF THE FLASH PLAYER IS OUT OF DATE, THE PROGRAM WON'T RUN.

IF YOU HAVE THIS ISSUE WITH YOUR CLASS, HERE IS A QUICK AND EASY FIX THAT YOU CAN HAVE THE STUDENTS DO TO THE COMPUTER THEY ARE LOGGED INTO.

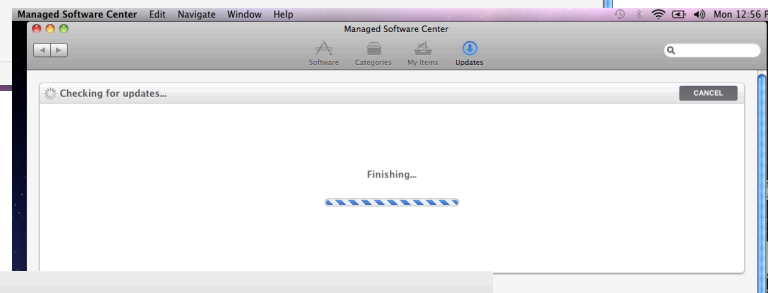

HAVE THEM OPEN APPLICATIONS, AND THEN FIND MANAGED SOFTWARE CENTER

MANAGED SOFTWARE CENTER WILL CHECK FOR UPDATES, AND THEN LIST THEM. STUDENTS WILL BE ABLE TO RUN THE UPDATES OFFERED BY THE MANAGED SOFTWARE CENTER

STUDENTS CAN CLICK UPDATE

ONCE YOU SEE THIS YOUR FLASH IS UP TO DATE. KIDS CAN CLOSE THIS APP, AND GO BACK TO THEIR EDUCATIONAL PROGRAM
