\_\_\_ I understand that I'm responsible for backing up my own data and the technology department will not do so upon return of this computer. All data must be backed up to an external drive or DVDs. For help with back up please see [www.nomeschools.com/tech/index.html](http://www.nomeschools.com/tech/index.html). If you have lots of photos and music on your computer an external drive is the easiest solution.

\_\_\_ I understand that Nome Public Schools holds the license for all software installed on said computer/iPad and agree to honor the licensure agreement between Nome Public Schools and the software company. I will not copy, share or sell this software at anytime.

\_\_\_ I understand that this computer/iPad equipment will not have NPS technology support over the summer months.
